Paul Shafer, University of Leeds, BLC secretary

British
Logic
Colloquium

- The BLC supports, promotes, and fosters the study of logic in the UK.
- The BLC hosts an annual meeting, typically 2-3 days in September (but not this year on account of Logic Colloquium).
- The BLC supports UK-based logic-related meetings. Members may apply for modest funding.
- Mathematics, computer science, and philosophy are all supported!
- The BLC mailing list circulates job and conference announcements.
- Join the BLC for £20/year! (Free for PhD students!)
